How to download ebooks and audiobooks with the ==Libby App==

You will need a valid library card with password, wireless access, and your device

1. **Set Up Procedure for first use only:**
   - See other side

2. **Find a book at Live-brary.com:**
   - **To search for a specific book:**
     - Tap magnifying glass at the bottom of the screen and enter a title, author, or combination of keywords.
   - **To browse by category:**
     - Select button for Newest, Popular, Random or Available Now.
     - Scroll down to Guides for links to Kids, Teens and Spanish language collections.
     - Scroll further to see Librarians' Lists of books on selected topics
   - **To filter search results:**
     - At the top left, tap the 3 line icon to choose a Sort By preference, Format, Availability, Audience or Subject.

3. **Borrow a Book:**
   - Tap Borrow to the right of the book cover, or tap the book cover for more information and then tap Borrow.
     - Tap Borrow, then select Open Book to start reading, Keep Browsing, or Go to Shelf to see all your borrowed titles.
     - When you select Open Book you will be asked where you want to read the title. Choose Libby to read in the Libby app, or Kindle to send the book to your Kindle app or device. For Kindle you will need to log in to your Amazon account and verify where you want the book to go.
     - If you borrow an audiobook, tap Open Audiobook and tap the play button when you are ready to begin listening.

4. **Reading Tips:**
   - In the book, tap the center of the page to access the following options:
     - <Back - return to Shelf
     - A icon - appearance options including text size
     - Search (magnifying glass) - search within the book
     - Bookmark - bookmark a specific page or highlight text
     - Table of Contents - list of chapters you can access by tapping

5. **To Return a Title Early:** (Books will return automatically on the due date)
   From the Shelf, tap Manage Loan, select Return Early, then tap Return!
